REPORT on “ Cloud Computing Workshop”

Name of Programme Conducted	Cloud Computing Workshop
Objective of the Programme	Infrastructure build using Amazon Web services
Target Audience / Batches	Final semester BCA/BSc Computer Science Students
Date Conducted	11/02/2022
Venue	Online Mode
Time and Duration	9:30am to 12:30pm
Description of program	For the final semester BCA/BSc Computer Science Students, a workshop on Cloud Computing was arranged on 11 th February 2022 in Online mode.
Chief Guests/ speakers if any	Mr. Adbin Joseph Team Lead-Cloud Services IBS Software Services Pvt. Ltd., Technopark
Content of speeches	Infrastructure build using Amazon Web services
No of Students participated	248 students
No of Faculties participated	7 faculties
Who organized it	Department of Computer Science
Outcome of program	
List supporting documents/Attachments	Poster, Student registration details, photograph

Report on “International Conference on Advanced Computing & Communication Technology ICACC 2022”

Name of Programme Conducted	International Conference on Advanced Computing & Communication Technology ICACC 2022
Objective of the Programme	This conference aims to provide a platform to innovative academicians and researchers in India .It encourages research activities and publishing high quality research manuscripts in reputable international/National journals across globe.
Target Audience / Batches	Research Scholars, Academicians, Faculties, students
Date Conducted	19/05/2022
Venue	Online Mode Google Meet
Time and Duration	9:30am to 3:30pm
Chief Guests/ speakers if any	PROF. DR. RAJU G, Computer Science And Engineering School Of Engineering And Technology Kengeri Campus. Dr. Anand Nayyar(Assistant Professor, Scientist, Vice-Chairman (Research) and Director- IoT and Intelligent Systems Lab) School of Computer Science-Duy Tan University, Da Nang, Vietnam
Content of speeches	Internet of Robotic Things,
No of Students participated	65
No of Faculties participated	25
Who organized it	TICSAS, Coordinated by Dr Resmi K.R
Outcome of program	Took place the Learning and knowledge exchange among Conference participants through interdisciplinary discussions, Delivered a series of documented information briefs and other materials for Advanced Computing and Communication Technology topics.

Report on “Research Methodology Workshop”

DATE: 14th & 15th September,2021
TIME: 10:00-1:00 pm
Venue: Zoom online
Convener: Fr.Anish Cheruthanickal CMI

Resource Persons:

- Dr.Shaji Issac, Associate Professor, Department of Sociology and Social work, Christ University Bangalore
- Dr. Riyas Y, Assistant Professor, Department of Commerce and Management, School of Business Studies, University of Calicut

This two-day Webinar was intended to train participants with basic & study of the research to produce quality work. The key focal point of the webinar was to identify the tools and techniques for different research objectives. The participants have learnt about the type of research and research process and sampling process in detail. In Webinar complete online guidance given by resource person. Webinar have enabled them to analyse & interpret the research process using flow diagram.

The screenshot displays a Zoom meeting in progress. The main window shows a presentation slide titled "Ratio Measurement" with the following content:

- **Ratio**: a measurement scale that has equal units of measurement and a rational zero point for the scale (absolute zero)
 - Hint: An absolute zero indicates a complete absence of the attribute being measured.
- Examples: income in dollars, length, area or volume, height, weight
- Permissible arithmetic operations: including ratios

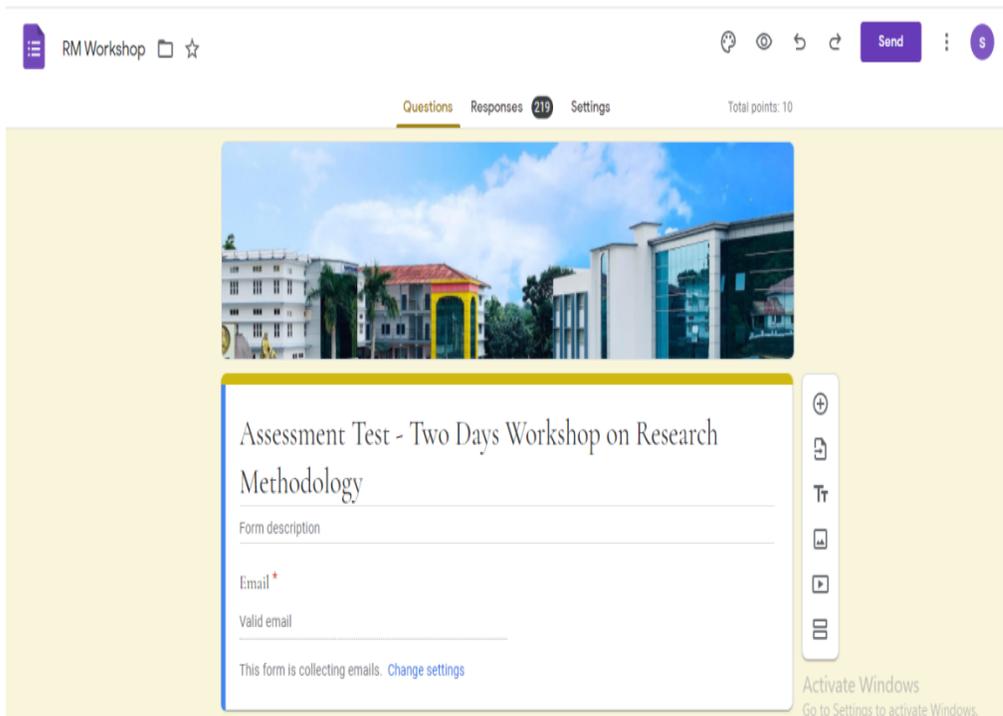

Below the text is an illustration of a stack of green banknotes. To the right of the slide, a "Next slide" preview is visible, containing text about psychology and statistics: "For the purpose of psychology and statistics, interval/ratio are both considered the same (although they really are not) Used interchangeably in statistical programs, such as SPSS".

The Zoom interface includes a top bar with "Zoom Meeting" and "You are viewing Dr. Riyas Y's screen". Below the top bar are video thumbnails for participants: SANTHIGIRI, Dr. Riyas Y, 320_Chris Tomy, Ajin Joshy, and Meera Bhaskaran. The bottom toolbar shows controls for Unmute, Stop Video, Security, Participants (208), Polls, Chat, Share Screen, Reactions, Apps, More, and End.

On the right side, a "Participants (208)" list is visible, showing a search bar and a list of names with status icons (mute, video off, etc.). The list includes: SANTHIGIRI (Host, me), Dr. Riyas Y (Co-host), Anish Anish Cherutha... (Co-host), James Mathew (Co-host), _Asvini, 301_adon rex, 302_Ag..., 304_Akhil saji, 305_Aleena Binny, 307_Alin Mariya Roy, 308_Alok Mathew, 309_Alvin Vincent, 310 Amal shelly, and 311_Ajith Rajesh.

Dr. Shaji Issac started the webinar by introducing the research and its process in detail. It helped the students to get a deep insight about the research and its implication on real life as well as subject. The next resource person Dr. Riyas explained sampling and sampling process in detail.

REPORT on “LARAVEL FRAMEWORK”

Name of Programme Conducted	WORKSHOP ON LARAVEL FRAMEWORK
Objective of the Programme	The objective of this work is aimed at providing an opportunity for participants to enrich their knowledge and skills in the developing various solutions for solving engineering problems in the society. This workshop serves as a platform for students, faculty members to learn Laravel framework and tools.
Target Audience / Batches	S2 MCA
Date Conducted	22/2/2022 and 23/10/2022
Venue	MCA Lab and Online on Google meet
Time and Duration	9.30 to 1:00pm (22/2/2022) 2:00pm to 4:00pm (23/02/2022)
Description of program	This workshop aimed to cover the various topics such as Introduction to MVC Architecture Laravel Creating Project using Laravel
Chief Guests/ speakers if any	Anoop Mathew, Project Manager, Technoriz Digital Solution, Calicut
Content of speeches	NA
No of Students participated	28
No of Faculties participated	3
Who organized it	TICSAS
Outcome of program	To develop a basic understanding about software development framework

ENTREPRENEURSHIP DEVELOPMENT CELL

SANTHIGIRI COLLEGE OF COMPUTER SCIENCES, VAZHITHALAP.O, THODUPUZHA

Report of Invited Talk on Entrepreneurship

Santhigiri College has always been relentlessly putting in the best of their efforts to provide quality education and to develop global competence in all learners. The college has always been keen about encouraging entrepreneurial thinking and promoting business knowledge, which in turn builds confidence in every student and helps to identify a successful Entrepreneur in them. The main objectives of this cell are to encourage first generation entrepreneurs, strengthen entrepreneurial competence among students, provide all possible help and assistance, and to empower potential women entrepreneurs.

The Entrepreneurship Development Cell had conducted an invited talk on entrepreneurship for the fourth semester Under Graduate students on 20/01/2022.

Resource Person: Mr. Lorance Mathew, Industries Extension Officer,
District Industries Centre, Kottayam, Kerala.

The invited talk was formally organised and conducted by the cell for the fourth semester Under Graduate Courses including B.Com Computer Application (B.Com CA), B.Com Finance and Taxation (B.Com F & T), Bachelor of Computer Application (BCA), Bachelor of Business Administration (BBA) and BA Animation. The resource person explained in detail about the importance of entrepreneurship to the students.
