SANTHIGIRI COLLEGE OF COMPUTER SCIENCES, VAZHITHALA P.O, THODUPUZHA

#### ***Report of webinar on “how to start a successful Micro, Small and Medium Enterprise - MSME”***

Santhigiri College has always been relentlessly putting in the best of their efforts to provide quality education and to develop global competence in all learners. The college has always been keen about encouraging entrepreneurial thinking and promoting business knowledge, which in turn builds confidence in every student and helps to identify a successful Entrepreneur in them. The main objectives of this cell are to encourage first generation entrepreneurs, strengthen entrepreneurial competence among students, provide all possible help and assistance, and to empower potential women entrepreneurs.

The Entrepreneurship Development Cell had conducted a webinar on the topic **How to Start a Successful Micro, Small and Medium Enterprise – MSME** for the sixth semester Under Graduate students on 15/01/2021 – Friday.

**Resource Person:** Mr.Sino Jacob Mathew, Industries Extension Officer,  
Department of Industries and Commerce, Kerala.

The webinar was formally organised and conducted by the cell for the sixth semester Under Graduate Courses including B.Com Computer Application (B.Com CA), B.Com Finance and

Taxation (B.Com F & T), Bachelor of Computer Application (BCA), Bachelor of Business Administration (BBA) and BA Animation. The resource person explained the concept of Micro Small and Medium Enterprises – MSME, which covers various Central Government as well as State Government Schemes, to support the entrepreneurs planning to start a MSME. He also explained the scope and importance of MSME in the present era and gave a detailed lecture about the formalities to be fulfilled by an aspirant to start a MSME. The webinar was so informative for the students and the students got a clear cut idea about the topic.

Regards

**Mahesh P.R**  
Coordinator
