SCOP ACTIVITIES

2022-2023

1. Free Medical Camp the free medical camp was organized in Pakalveedu, Parakadavu Colony, offering services in orthopedics, general medicine, dental care, ophthalmology, and nutrition.. The program aimed to improve health awareness, facilitate early diagnosis, and promote healthy lifestyles, fostering community engagement and support for better health outcomes.

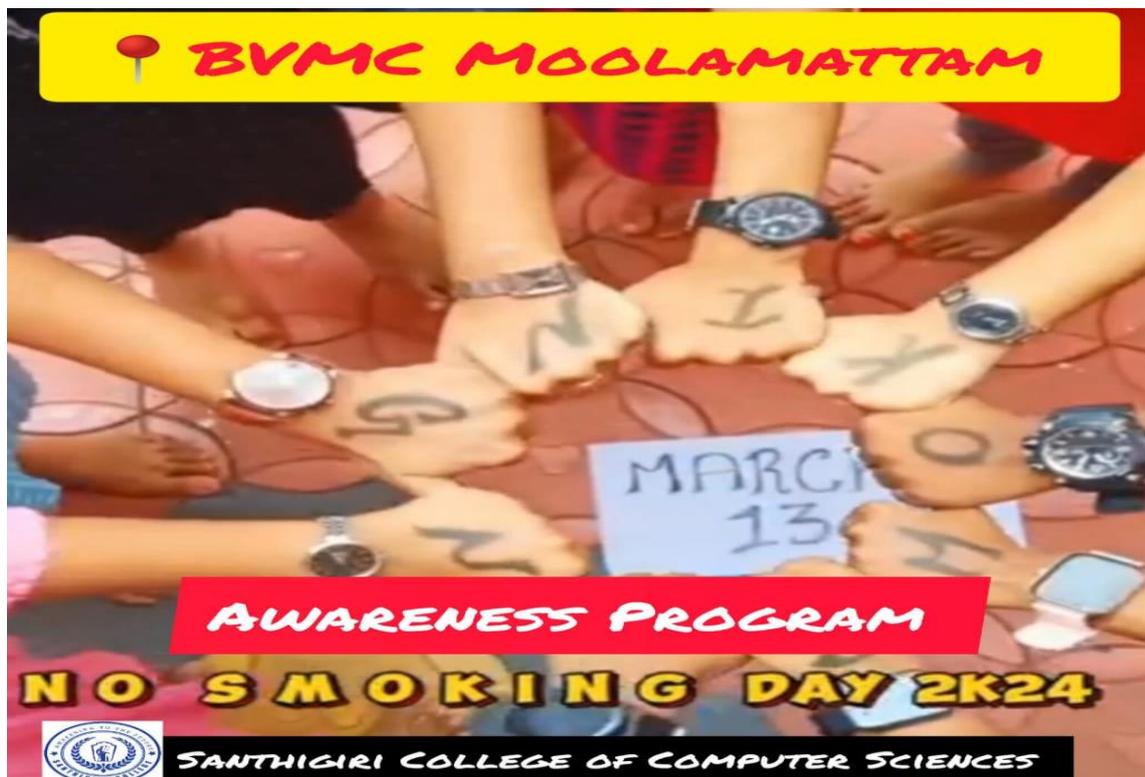

2 Inauguration of the Community College Santhigiri College has achieved another milestone by establishing a Community College within its campus. This initiative fosters inclusivity by providing students with disabilities equal opportunities to pursue education alongside their peers. The Community College creates an environment that encourages meaningful interactions and mutual respect among all students. It empowers differently-abled individuals to achieve their academic goals while promoting social integration. This progressive step reflects the college's dedication to building an equitable and inclusive learning community.

3 **HRF Idukki District Human Rights Day** human Rights Day was a significant event commemorating individual rights and human dignity. Organized by the SCOP and the Idukki District Human Rights Chapter, the program recognized outstanding contributions to human rights by awarding the "Best Human Rights Person. The program included informative sessions that educated students about various human rights issues, emphasizing the importance of protecting these rights for all individuals. Engaging discussions and activities encouraged participation and fostered a deeper understanding of the role each person plays in advocating for human rights. The event ultimately aimed to inspire a commitment to respect and uphold human dignity within the community

- 4 **No Smoking Day Awareness Program** To raise awareness about the dangers of smoking and promote a smoke-free lifestyle On March 13, 2023, Santhigiri College conducted a No Smoking Day awareness program at BVMC Moolamattom. The aim of the program was to educate patients, staff, and visitors about the harmful effects of smoking and the benefits of quitting.

5 **One day Tour with Elderly** To demonstrate the importance of entertainment in daily life. One day trips for elderly citizens were conducted under the guidance of the social work department of Santhigiri college, Santhigiri College Outreach Program (SCOP), Vayomithram project - KSSM and Muvatupuzha nagarasabha

6 **Awareness Class about Adolescent Health and Hygiene** the programme intended to provide an awareness class about Adolescent health and hygiene also to provide a demonstration class of self-defence. Santhigiri College Social Work Department Students conducted community program - “Disha” with the association of the Santhigiri College Social Work Department (SWARAM), the Santhigiri College Outreach Program (SCOP), and Sacred Heart Girls High School, Ramapuram. The community program is based on self-defense classes and awareness of adolescent health and hygiene. And participate with 50 members in the community program.
